BUDGET TOTALS FOR FISCAL YEAR 2020

MARCH 5, 2020.—Ordered to be printed

Mr. SHELBY, from the Committee on Appropriations,
submitted the following

REPORT

The Committee on Appropriations submits the following report revising the allocation to its subcommittees for fiscal year 2020 set forth in Senate Report 116–104 (September 12, 2019) and revised in Senate Report 116–106 (September 18, 2019), Senate Report 116–121 (September 25, 2019), Senate Report 116–122 (September 26, 2019), Senate Report 116–139 (October 22, 2019), Senate Report 116–181 (December 19, 2019), and Senate Report 116–207 (January 15, 2020).

Section 302(e) of the Congressional Budget Act of 1974, as amended, provides that at any time after a committee reports its allocations such committee may report to its House an alteration of such allocations. This report is submitted pursuant to this section.

The Congressional Budget Act requires that as soon as practicable after a concurrent resolution on the budget is agreed to, the Committee on Appropriations shall submit to the Senate a report subdividing among its subcommittees the new budget authority and total outlays allocated to the Committee in the joint explanatory statement accompanying the conference report on such a resolution. Section 204 of the Bipartisan Budget Act of 2019 (Public Law 116–37) provides for the Chairman of the Committee on the Budget to file an allocation, consistent with the terms of the Bipartisan Budget Act, to serve as a section 302(a) allocation for purposes of budget enforcement in the Senate. The allocation was filed by the Chairman of the Budget Committee on September 9, 2019 (Congressional Record pp. S5354–5356). This allocation reflected an increase of \$8,000,000 in nonsecurity budget authority in fiscal year 2020 and all of the associated fiscal year 2020 outlays from amounts that were designated as an emergency requirement in both the Additional Supplemental Appropriations for Disaster Re-

lief Act, 2019 (Public Law 116–20) and the Emergency Supplemental Appropriations for Humanitarian Assistance and Border Security at the Southern Border Act, 2019 (Public Law 116–26).

The Committee notes that, under the terms of section 251 of the Balanced Budget and Emergency Deficit Control Act of 1985, the Chairman of the Committee on the Budget may increase the 302(a) allocation of the Committee on Appropriations if certain conditions relating to funding of specific programs are met. These provisions address such programs as: costs of emergencies (sec. 251(b)(2)(A)(i)); costs of overseas contingency operations (sec. 251(b)(2)(A)(ii)); continuing disability reviews and redeterminations (sec. 251(b)(2)(B)); healthcare fraud and abuse control (sec. 251(b)(2)(C)); reemployment services and eligibility assessments (sec. 251(b)(2)(E)); disaster funding (sec. 251(b)(2)(D)); wildfire suppression (sec. 251(b)(2)(F)); and the 2020 census (sec. 251(b)(2)(G)).

On September 12, 2019, the Committee on Appropriations filed an initial allocation to its subcommittees pursuant to its section 302(a) allocation.

On September 26, 2019, the Committee on the Budget filed a revised 302(a) allocation for the Committee (Congressional Record pp. S5743–5744) reflecting permissible increases in the fiscal year 2020 discretionary allocation. These reflect an increase of \$128,000,000 in outlays designated for overseas contingency operations/global war on terrorism.

On October 22, 2019, the Committee on the Budget filed a further revised 302(a) allocation for the Committee (Congressional Record pp. S5960–5961) reflecting permissible increases in the fiscal year 2020 discretionary allocation. These reflect an increase of \$2,500,000,000 in nonsecurity budget authority designated for the 2020 Census, plus associated outlays, and \$2,250,000,000 in nonsecurity budget authority provided for wildfire suppression, plus associated outlays.

On December 19, 2019, the Committee on the Budget filed a further revised 302(a) allocation for the Committee (Congressional Record pp. S7195–7196) reflecting permissible increases in the fiscal year 2020 discretionary allocation. These reflect an increase of \$71,500,000,000 in security budget authority and \$8,000,000,000 in nonsecurity budget authority designated for overseas contingency operations/global war on terrorism, plus associated outlays. The revised 302(a) also reflects an increase of \$17,503,000,000 in nonsecurity budget authority designated for disaster relief, plus associated outlays, an increase of \$1,842,000,000 in nonsecurity budget authority provided for continuing disability reviews and redeterminations, for health care fraud and abuse control, and for reemployment services and eligibility assessments, plus associated outlays, and an increase of \$8,000,000,000 in security budget authority and \$535,000,000 in nonsecurity budget authority designated as an emergency requirement, plus associated outlays. In addition, these affirm that the October 22, 2019 adjustments to nonsecurity budget authority designated for the 2020 Census and for wildfire suppression, plus associated outlays, required no further budgetary adjustment at this time since spending is still appropriately designated and consistent with the previously filed levels.

On January 15, 2020, the Committee on the Budget filed a further revised 302(a) allocation for the Committee (Congressional Re-

port p. S239) reflecting permissible increases in the fiscal year 2020 discretionary allocation. These reflect an increase of \$843,000,000 in nonsecurity budget authority designated as an emergency requirement, plus associated outlays.

On March 5, 2020, the Committee on the Budget filed a further revised 302(a) allocation for the Committee reflecting permissible increases in the fiscal year 2020 discretionary allocation. These reflect an increase of \$7,767,000,000 in nonsecurity budget authority designated as an emergency requirement, plus associated outlays.

The further revised allocations to subcommittees for 2020 are set forth below:
